

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**HARVARD
COLLEGE
LIBRARY**

**BOUGHT WITH THE INCOME OF THE
JOHN L. WARREN FUND**

FROM the Number of Alterations and Additions returned weekly into this Office, it is necessary that the Register-Books should be posted every Week; and an Arrangement has been made in the Office for that Purpose. It is therefore requested that the Members will be particular in delivering their Books when called for, and they may depend upon having them returned on the ensuing Day. Any complaint of the Register not being called for, or returned in proper time when posted, is requested to be communicated to the Office, in writing, that the Committee may be made acquainted therewith.

It is also requested that Members leaving Town, and not having Occasion to use their Books, will be pleased to leave them at this Office, where they will be kept regularly posted, and ready for Delivery when wanted.

The Committee likewise request the Subscribers will not leave their Register about Lloyd's Rooms, as several Books have been lost by that means, and the number of Books prepared being limited, it may not be in the power of the Committee to furnish others in the place of those so lost.

Any Communication, with Respect to Imperfections in the Register, Ships not appearing thereon, or such as are undergoing Repairs, &c. will receive immediate Attention.

Lloyd's Registry of Shipping,
CASTLE-COURT, BIRCHIN-LANE.

JANUARY, 1830.

THE COMMITTEE beg leave to remind the SUBSCRIBERS, that when this Society was established, in the year 1760, the Annual Subscription was Twelve Guineas.

At the end of Half a Century their funded Property having increased to £12,000 Stock, the Price of the Book was reduced one-third, viz. from Twelve to Eight Guineas; but the Expenses for the last Twenty Years have exceeded the Income by nearly £500 per Annum, and the Stock now remaining amounting to only £2000, the COMMITTEE are under the necessity of raising the Price of the Book this Year to Ten Guineas.

Nearly Ten Thousand Vessels are surveyed every Year; the Expense of Survey, by competent Judges, cannot be reduced under the present Salaries, which exceed £1000 per Annum, rather under 2s. 1½d. each Vessel.
